What is the Bellingham Pickleball Club (BPC)?

The mission of the Bellingham Pickleball Club (BPC) is to promote the development of pickleball skills, facilities, and community in the greater Bellingham area.

Incorporated as a non-profit club in May 2018, the BPC is organized by a volunteer board of directors. As of May 2019, the upcoming tasks are: recruit and activate volunteers & work-groups; support the Bellingham Parks Dept in getting the Cornwall pickleball courts completed (weather dependent); organize opportunities for varying levels of play and skill development; court maintenance & physical improvements; paint additional pickleball lines on approved court areas; & engage with the local community, including the Bellingham Parks Dept. Our general meeting & board elections will be held in August.

Why Join? How much does it cost? And what are the membership benefits?

The membership fee is \$25 annually per person. (*Sliding fee scale available.*) Additional donations always welcome. As a member of the BPC you will be supporting the following:

- Advocacy for the sport of pickleball as a unified voice, especially when interacting with Bham Parks & Rec Dept;
- Website which provides updates, activities' calendar, online membership, community connection, etc.;
- Support of efforts to expand and improve pickleball facilities in the greater Bellingham area;
- Development and access for level-based play, coaching & instruction, (and eventually round-robins & tournaments);
- Access to a "lending library" of starter paddles, portable nets, & relevant info and equipment to chalk out court lines; a yearly purchase of balls bought in bulk for Cornwall Park;
- Enhanced sense of community;
